

# WEEK OF SUSTAINABLE DEVELOPMENT TOWN OF DRNIŠ

**SUSTAINABLE DEVELOPMENT GOALS**

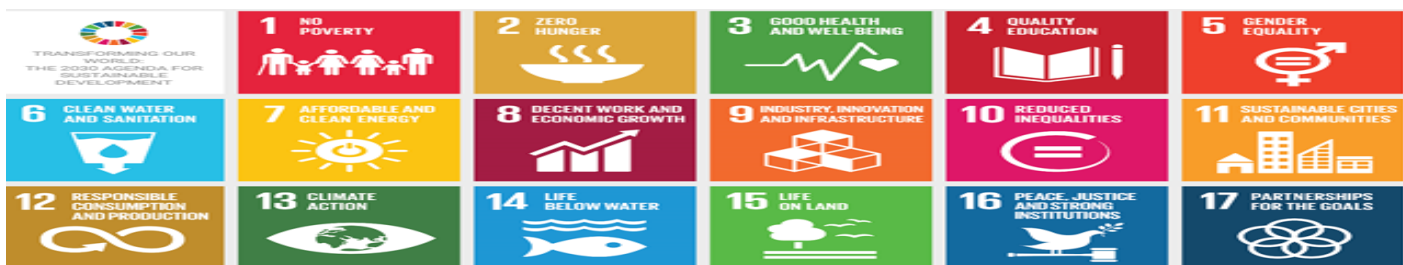

Source: [www.esdw.eu](http://www.esdw.eu)

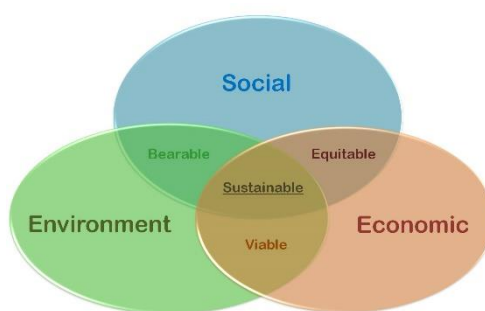

European Week of sustainable development (ETOR) takes place every year from May 30 to June 5. It is celebrated throughout Europe with purpose to encourage and get better visibility of the activities, projects and events that promote sustainable development. This year ETOR dedicated to the global objectives of sustainable development.

Adopted Program for Sustainable Development in 2030 and his 17 goals of sustainable development highlights the key issues that require urgent action at all levels and the involvement of all relevant stakeholders. ETOR contribute to this ambitious program, promoting the activities of the organizations that use the "bottom-up", which are thematically related and support the goals of sustainable development.

This year European Week of sustainable aims to raise awareness of the Programme for Sustainable Development in 2030 in Europe, and calls on stakeholders to actively engage in activities to achieve sustainable development, with particular emphasis on sustainable development objectives. On the occasion of the week of sustainable development to be held from 30 May to 5 June 2016, the City of Drniš will present a series of activities and events which will present its participation in the promotion of sustainable development. In this way the Town of Drniš focused on two objectives of sustainable development which are: DECENT WORK AND ECONOMIC GROWTH (8) and RESPONSIBLE CONSUMPTION AND PRODUCTION (12). This European initiative aims is to encourage and make more visible activities, projects and events that promote sustainable development.
